To a special gal ::::::

- Kim -

To a very close friend!
and special bud of good
We have had alot of good
times our we have had
of bad ones, but I guess like can't
always be good.
I hope that you have great luck in
the future - better luck than what
both have had lately!!
cosmotology. I wonder sometime
I want ya to dance that I
is it !!!! (and its' nice to know
I have if ya ever made it
I have if I could always depend
so if ya are close to) and ya are just the
that anyone else would always feel close to...
Person - that
Well better go!!
and when I get
married I still want
you to come and stay
with me + when ya have
18 I still would like for
ya to move in with me...
Well
Bye!!

Your bud,
Mary Ann

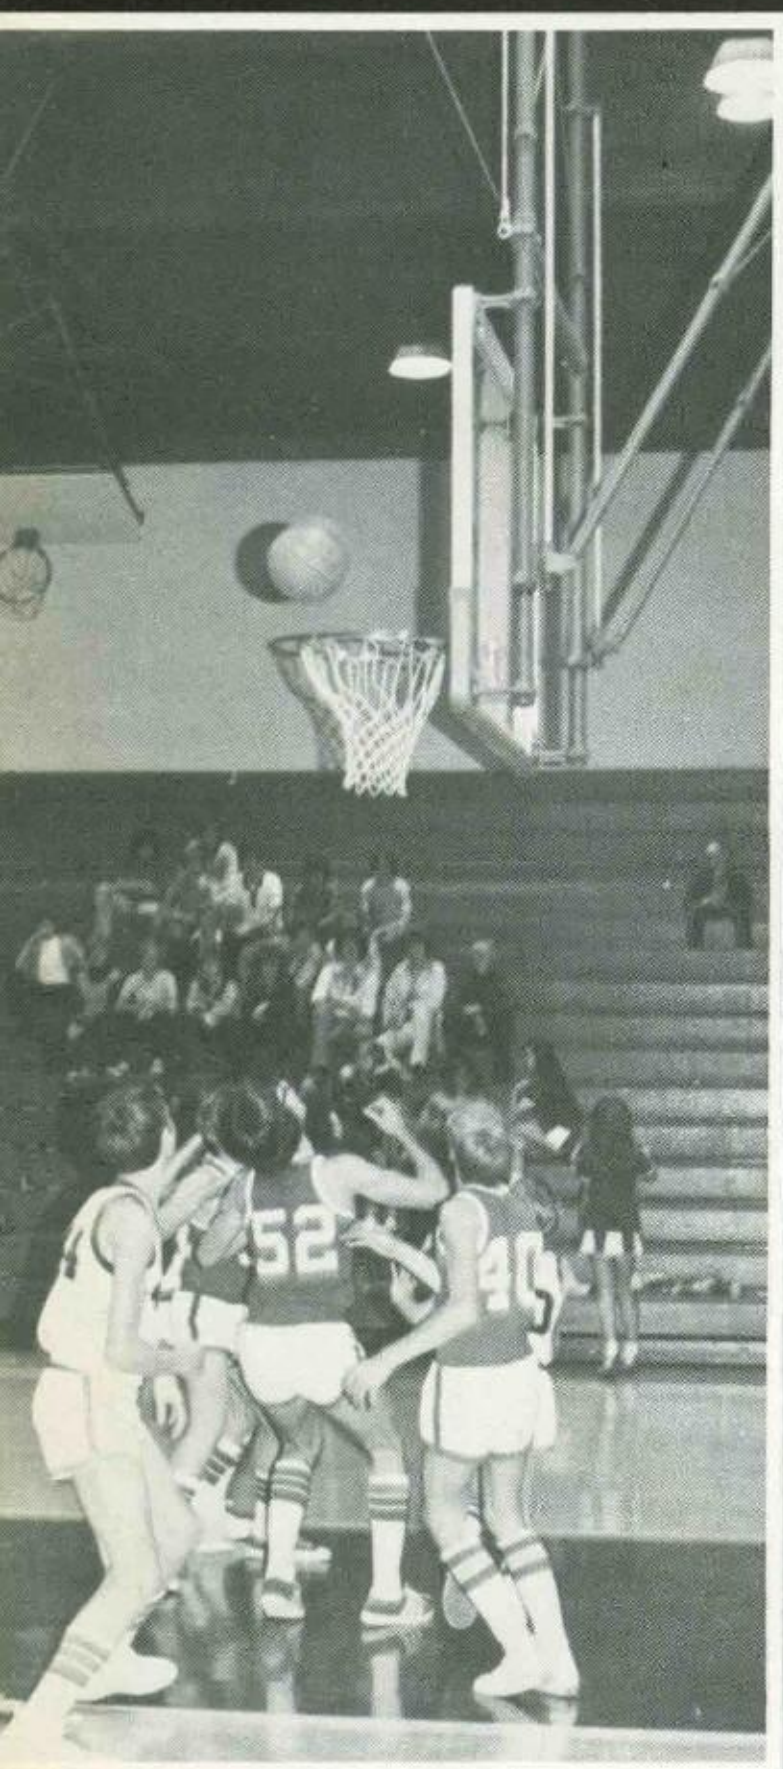
LARS 1976

In CONGRESS, July 4, 1776.

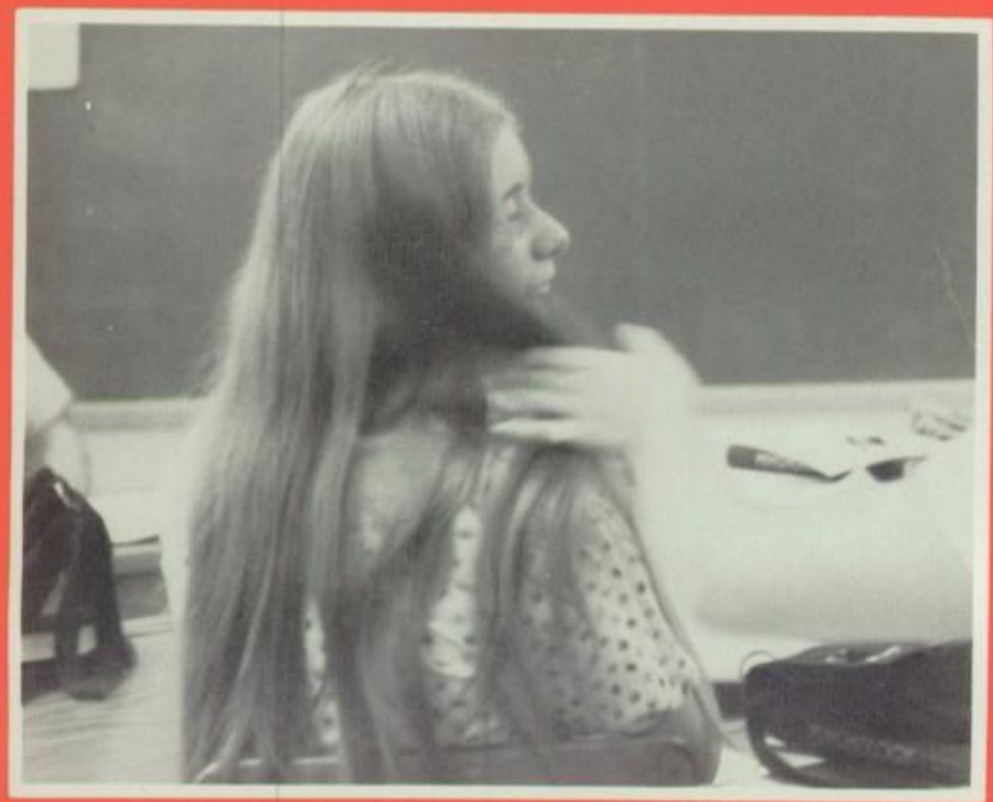
The unanimous Declaration of the thirteen united States of America,

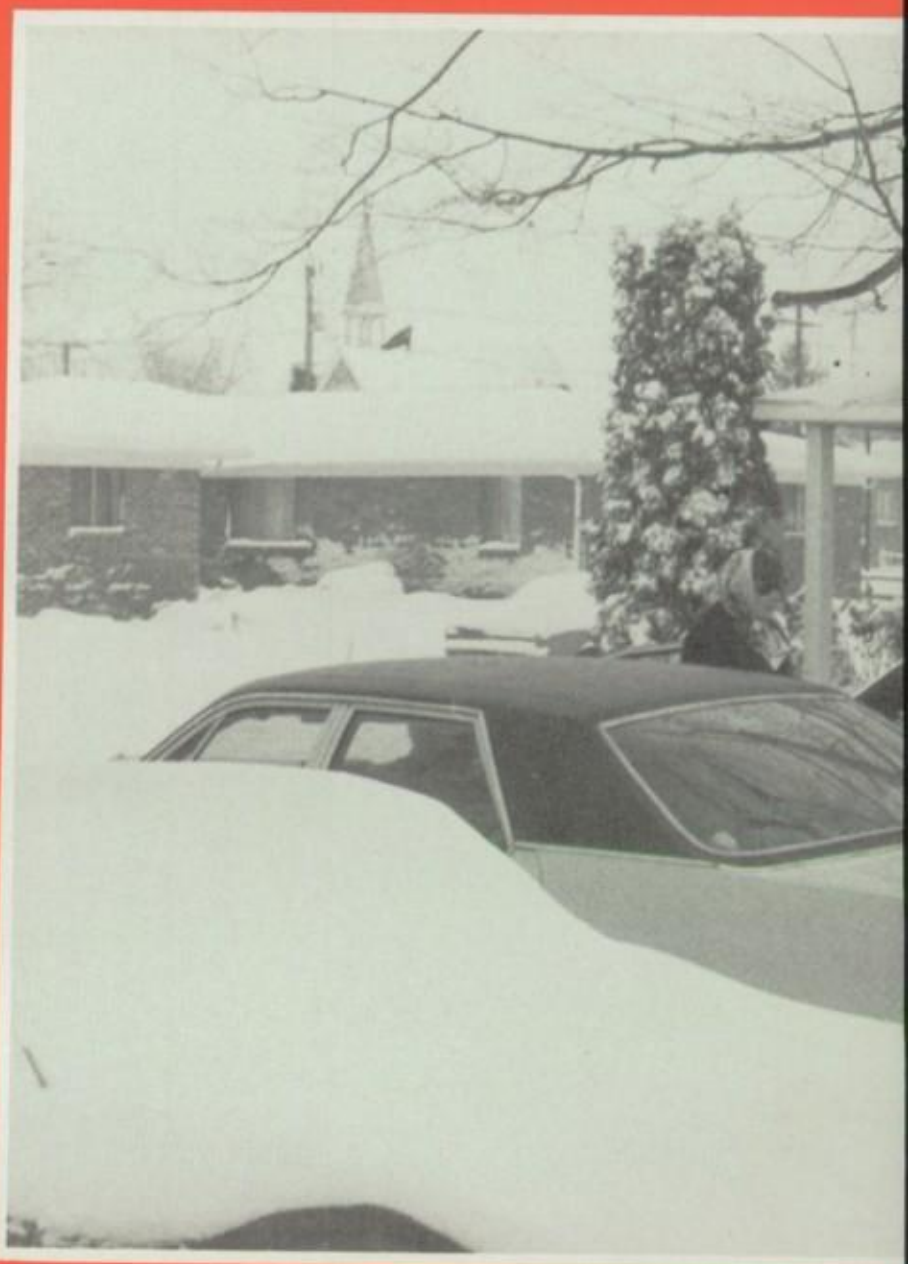
When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. ——— We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed,

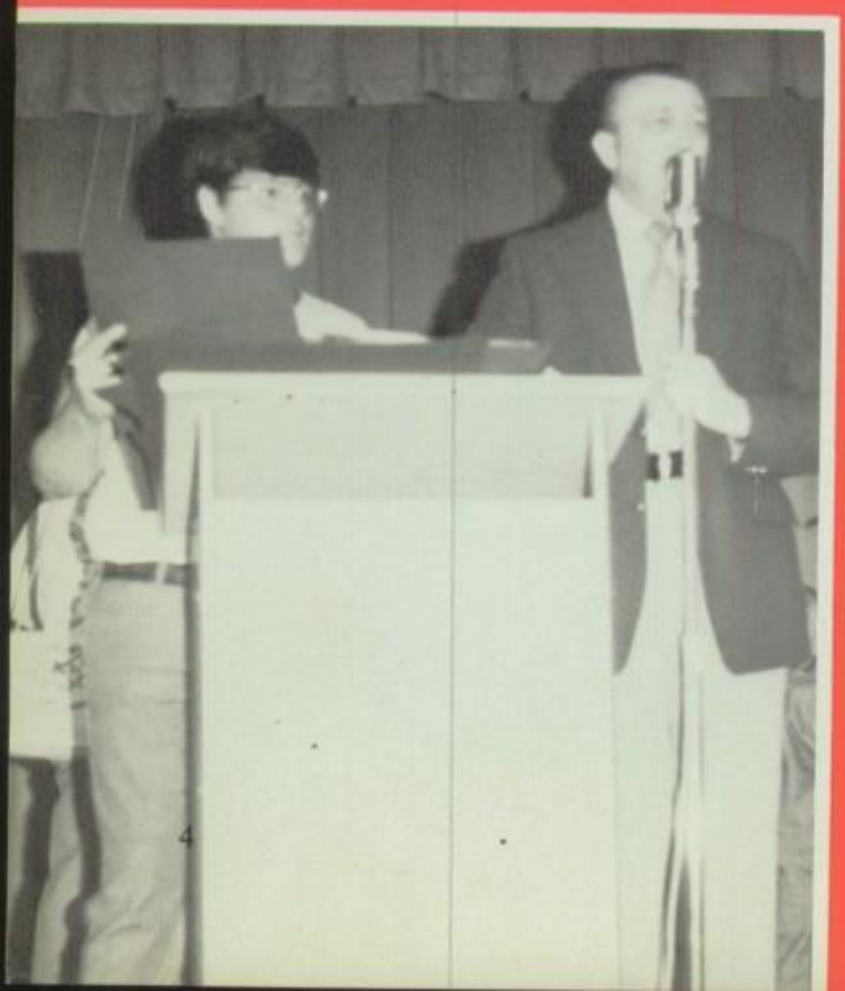


A new beginning.
With the bicentennial here, our country not only continues in years, but begins an entirely new decade, century, and perhaps a new bicentennial.

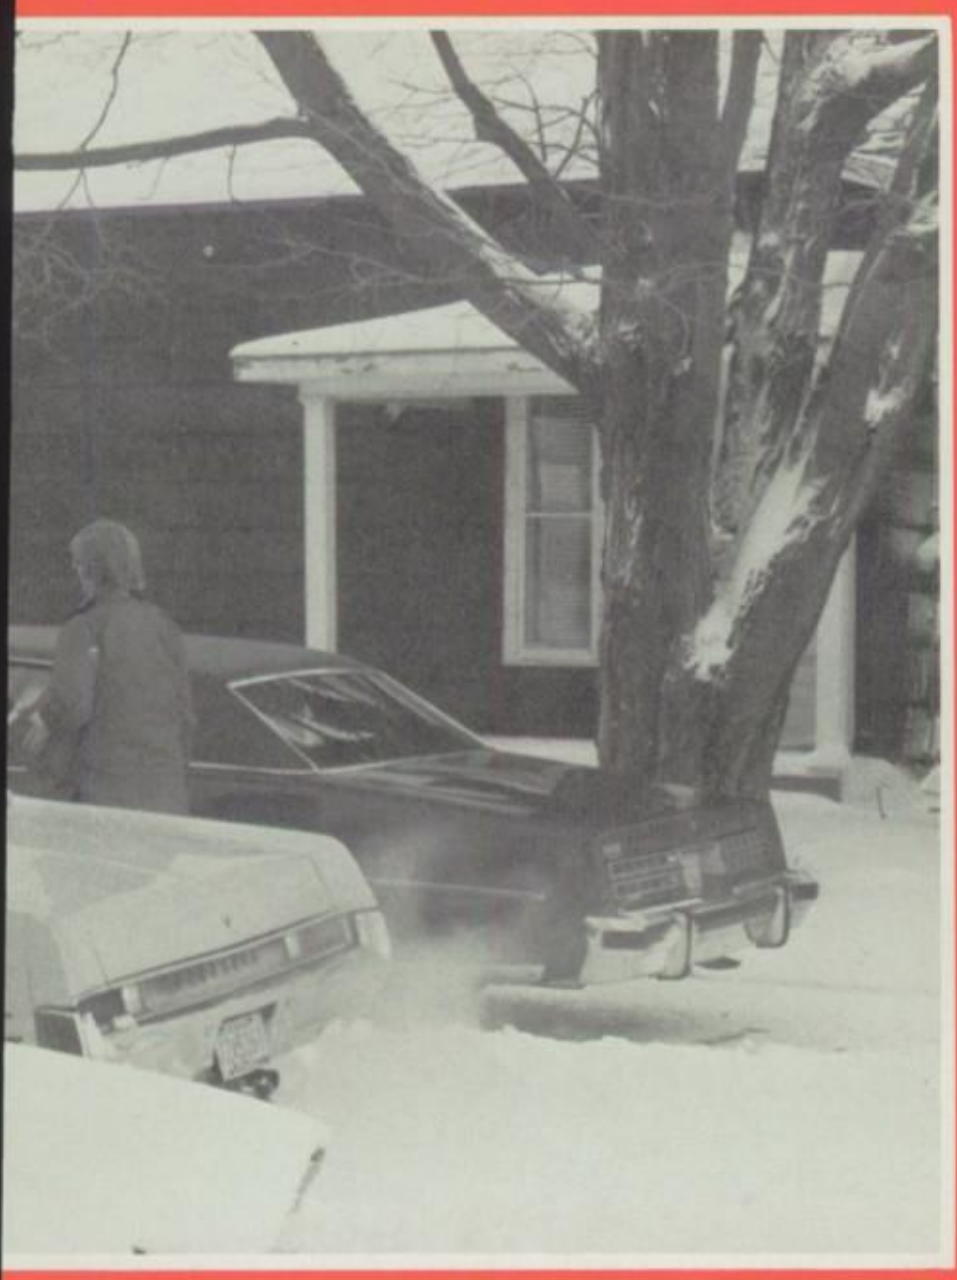
Just as each sunrise is a little bit different, we too can make each day a new beginning for ourselves. Find our mistakes, change them. Find our accomplishments, increase them. Find our friendships, renew them.

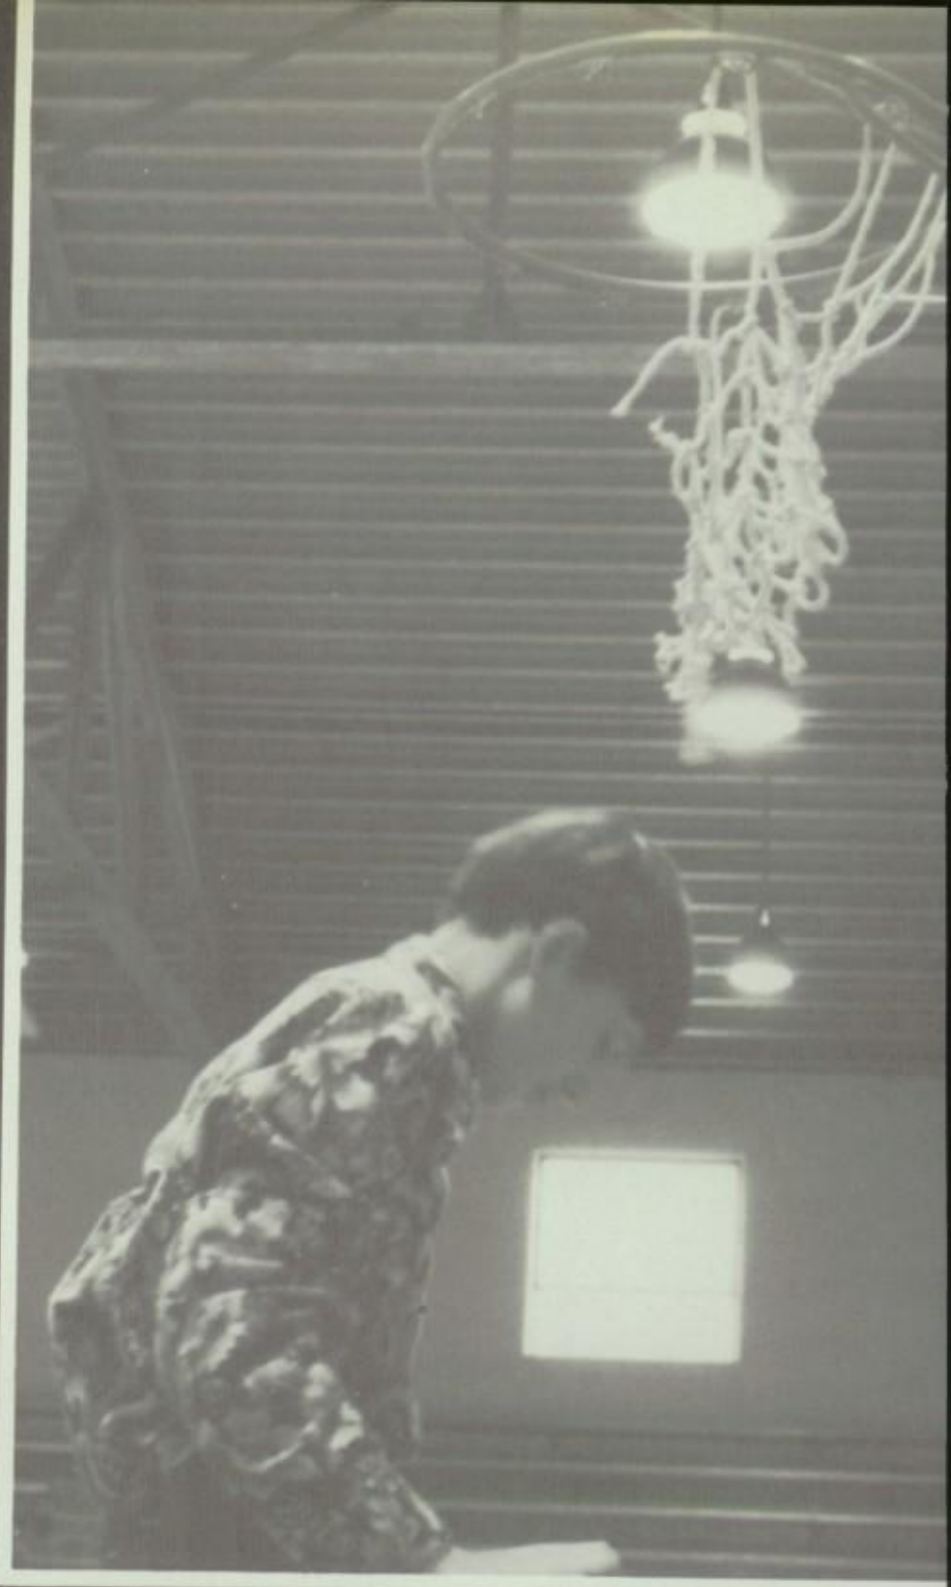


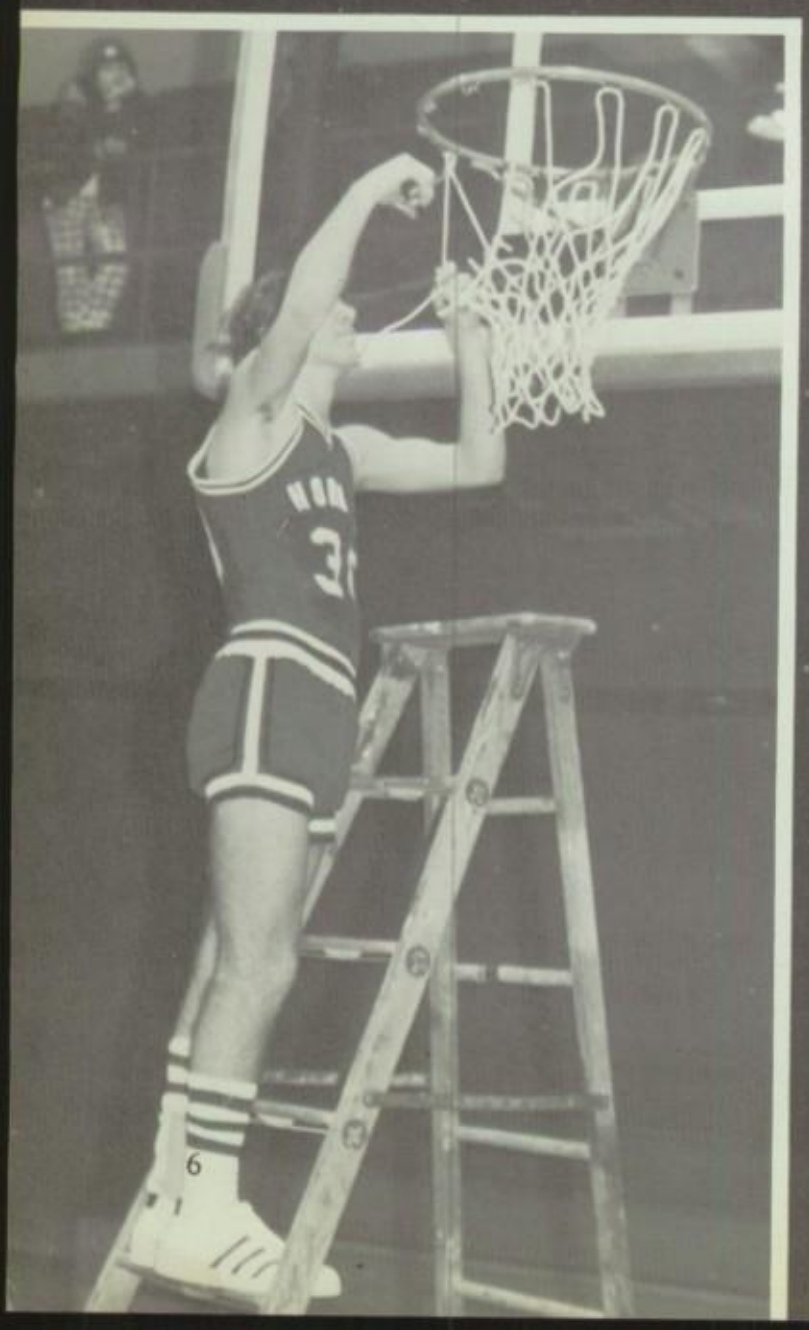




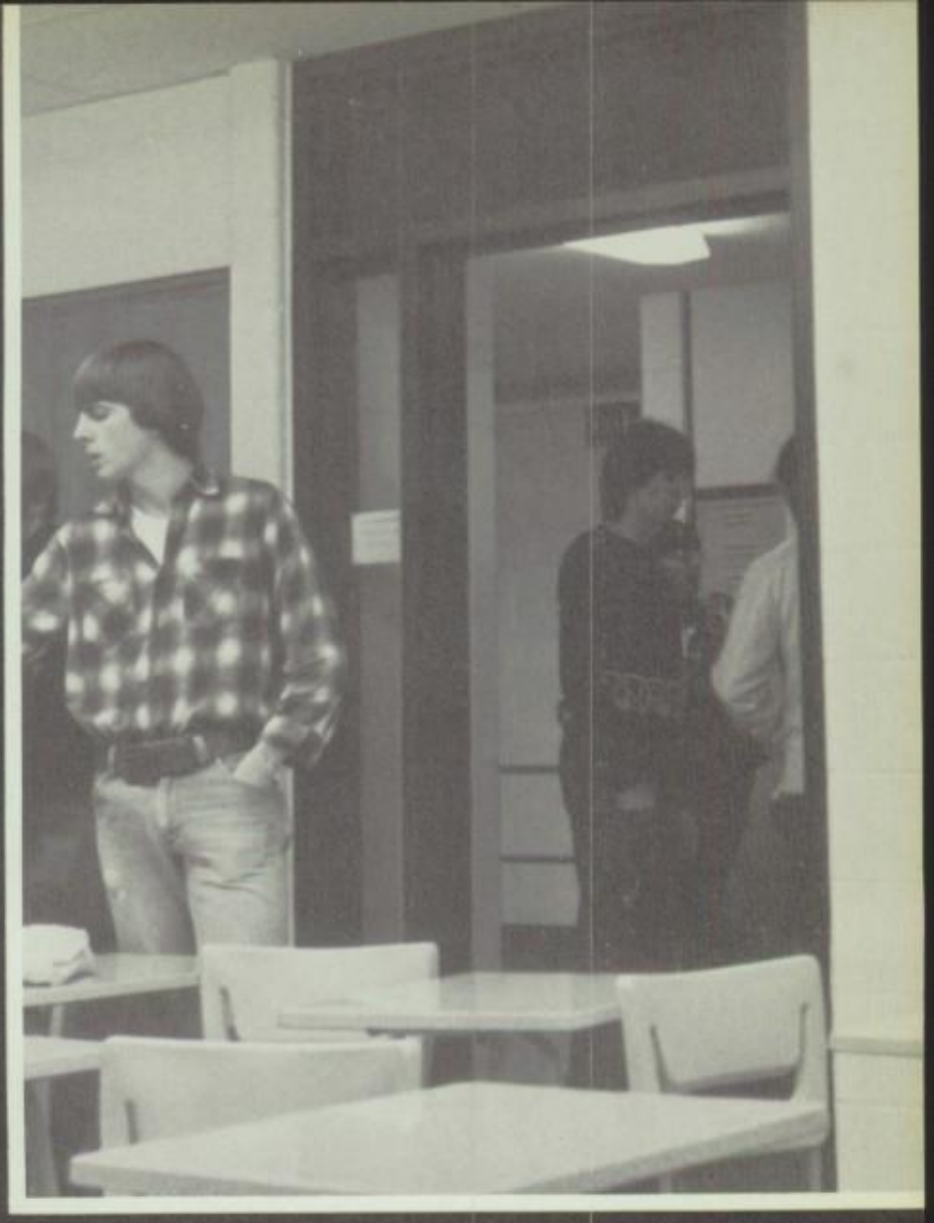
Each day can be a new beginning for everyone if you let it happen. Live and let live every new day of your life. Activities–they surround us. A basketball game, a speech meet, or maybe a music contest. Whatever they are, enjoy them. After all, they'll only happen once.







Cherish the memories forever, but don't rely on them for your future. Look forward to new events to remember. Don't live in the past—Live for the future.



Features—Events are constantly happening during a school year. Homecoming, Morp dances, the Prom, Variety Shows, Plays, and many others. Here are the memories of those events.

Competition—Every school has competition whether it be within the school or with other schools. Rossville competes in many sports. You can enjoy competition by either being a participant or a spectator.

Groups—High School life is busy with club meetings, group get-togethers, parties, and projects. Clubs at Rossville include French Club, Spanish Club, Drama Club, S.S.S., F.H.A., F.F.A. and countless others. All these take a lot of time, but in the end it's all a lot of fun.

Our Supporters—Now we thank our supporters, our ad buyers who have made this yearbook possible. Without them we could have no record of our memories. So to all our supporters, from R.H.S., Thank-you.

Album—There will be people we'll remember all our lives, though some will change. Some will go and some will remain. Whether they be old friends, new friends or just acquaintances, they are all here, people from R.H.S.

The theme of our yearbook is A New Beginning. It applies not only to every person, but especially to the seniors. For they not only can start a new beginning within themselves, but also in their goals for life. Many will get a job, others will go on to college. But whatever they choose, each will be a new beginning for them.

Because of the Bicentennial year, the seniors were able to go on a four-day trip by bus to Washington D.C., instead of the usual one-day trip by plane. They left at 4:45 on May 11, and returned to school late Friday night, May 14. They returned to school the next day at 1:00 P.M. for a final graduation practice. On Sunday, May 16, at 2:00 P.M., graduation exercises were held, after which they started their new beginning.

Our Friends— The Migrants

This year the migrants got along very well with Rossville students. For the first year the migrants were put in the same classes as the rest of us, rather than being by themselves. Both the migrants and the students of Rossville seemed to enjoy it. Each year the migrants come to school at Rossville for the first three months. We enjoy having them and hope to see them again next year.

Among his friends, Jose compares school lunches with Mexican food.

Jose seems to like his studies!

Jose Rodriguez–Exchange Student From Mexico

Jose, one of our new friends, came to Rossville from Mexico as an exchange student. We enjoyed having him here as much as we hope he enjoyed being here. The following is a piece that Jose wrote in the Hi-Spot. "I'm going to miss snow, being myself, going uptown, riding bikes, playing piano, home, school, walking down the halls, lunchtime, synthetic food, running my machine in home ec. class, laughing in Spanish class, staring at Mr. Pearl, going to the basketball games and never knowing the score but knowing how many times the prettiest cheerleader jumped, writing love notes to somebody I don't talk to, driving around, the guys in the group, and everything and everybody, 'cause I really enjoy each minute since I am here and I love it all."

Jose gets ready for U.S. History in Mr. Kenny Jones' room.

On this cold morning in December, Jerry and Jose come out to see the Paris-bound students off.

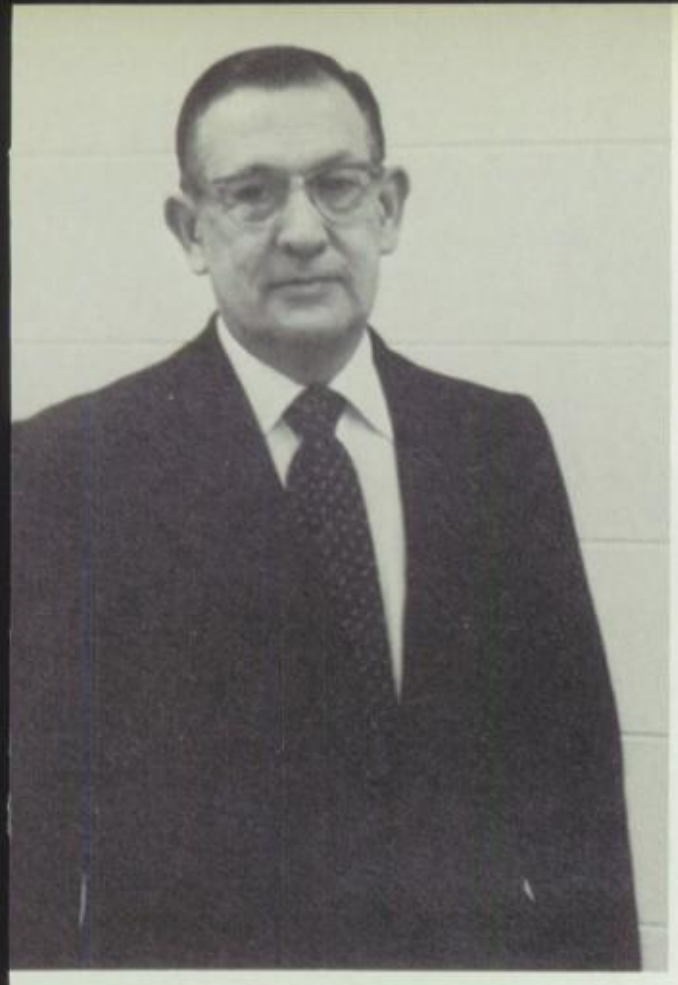
At first Jose couldn't understand why we needed his picture!

Buddies Julie Jackson and Jose take their trays back to make it to class before the bell.

Henze Returns As Principal

Mary Lou Crane, secretary to the principal, is one of the favorites at school.

Helen Montgomery, secretary to the superintendent, shoulders many responsibilities.



James Montgomery—principal of elementary

Dale Henze, a former Ag teacher at Rossville, returned this year as our new principal. The remainder of the administration includes Mrs. Mary Lou Crane, secretary; Mrs. Helen Montgomery, secretary to the superintendent; and superintendent, Mr. Robert C. Egly. Without these people, the school could not function. To them we give our thanks.

Cooks, Janitors, Bus Drivers: Backbone of R.H.S.

Many times we take advantage of some very important people at Rossville. Those people are the cooks, janitors, and bus drivers. Without them we wouldn't be able to get to school, eat, or even have a clean school to attend. To these people we now give our thanks and gratitude for their helpful services.

Student Librarians Assist Mrs. Senger and Mrs. Enoch

Each year students give up some of their free time to help out in the library, whether it be in the elementary or high school. Their jobs consist of checking out books, reshelving books, and about everything else that has to do with books.

FHA, SSS Participate In Many Activities

FHA sponsored coat check at the varsity basketball games. The eleventh grade put on puppet shows on the basic four food groups for elementary, and the ninth grade put up posters on manners. Together FHA and Sunshine made needy baskets, cheer plates, and had Easter parties for the elementary. Sunshine gave a Thanksgiving dinner to a needy family. They had the Morp dance and held the District Convention here. Lori Sharp was picked the Indiana Youth Power representative.

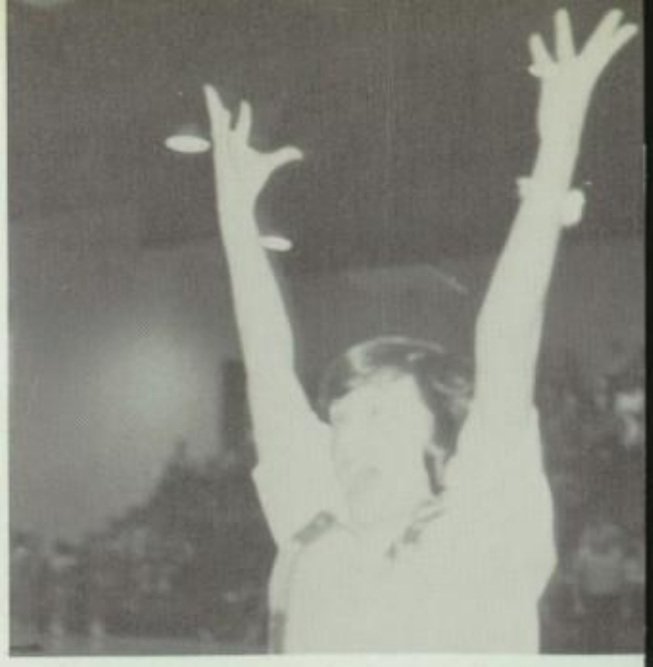
Pep Club Yells On



This year the pep club and the cheerleaders did a great job backing their team. There was an article in the Monticello newspaper praising them for being the loudest and best organized at the Holiday Tourney. This year there were 100 girls and 40 boys in pep club. The girls wore white shirts, red vests, and dark colored pants. The boys wore red T-shirts. Although the Hornets suffered some losses this year, the pep club never stopped backing their team.

Steve Jones Heads FFA As President

The Rossville Chapter of FFA set goals for itself this last year. One of the biggest goals was to improve the chapter's overall rank in the state. They did it by moving up from fourth to third best chapter in the state. Many individual goals were accomplished as well. Steve Jones was elected to District V Vice-president. The annual Steak Fry was a success, as always, clearing enough money to keep the chapter going for the next year. The parent-son banquet was held on April 3, and was a success as well. Overall, it was an excellent year for Mr. Grieves and his chapter.

Speech Team Has Fantastic Year

The Rossville Speech team concluded its season with a very good record. In 10 meets, they ended with seven firsts, one third, and one fourth. They got second in the sectional and regional, and sixth in the state. In the N.F.L. District, Lori Sharp placed third and Pam Yoder fourth, both in Girls' Extemp. On May 4, they celebrated by going to a banquet at Morris Bryant.

Le Cercle Francais

Another good year was started for French Club with their booth at the Fall Festival. The money earned helped them to sponsor a dance after one of the home basketball games. During one French class, they also had a Chocolate Fondue Party. Since this was so successful, they planned a French meal at Sorrento's in the "Fleur de Lis Room." Miss Leaf, Miss Phebus, Mrs. Hoff, and several of her students took a trip to France over Christmas vacation.

Spanish Club Sees "Ballet Folklorice"

This year's activities of the Spanish Club consisted of a trip to see the Ballet Folklorice, the Pinata Smash at the Fall Festival, a swimming party over the summer break, and Christmas party. They had a lot of fun working and enjoying their profits together, and hope to have more activities next year.

System Changes

The *Lars* workers had new job placements this year. Rather than dividing the work into sections, it was separated into layouts, ads, copy, pictures, and bookkeeping. This new system seemed to work well and with more organization. With the efforts of Mrs. Huddleston, sponsor, the editor, and a very cooperative staff, your 1976 yearbook was produced.

Co-op Programs Stir Interest

The '75-'76 building trades crew, under the direction of Les Lassiter, erected a house directly behind Dewey's on the west edge of Rossville. After nine months of work, the house was ready for sale. Open house was held May 8.

Ms. Carol Jones, instructor of the C.O.E. program, found jobs in Rossville for the two seniors involved. She is stirring up more interest in the program for this coming school year.

Office Practice Aids Newspaper

This year's system involved the newspaper staff gathering information and the office practice class putting it on paper. Four senior girls, with the help of Mrs. Flaningam, also produced the senior issue of High Spot.

Interest Increase In Chess and Science

The science club held their annual Science Fair in March. The awards were received on Honors Day, May 10. On April 27, they took a hike in the woods and afterwards had a pizza. The chess club gained in popularity this year. The winners of the chess tournament were Lyle Holsinger and Joey Butler.

Marching Contest.

In a new seating arrangement, the band produces entertainment for the home basketball games.

The High School Band increased both in quality and quantity. Their performance was at a marching contest in September, where they received a second place rating. They also marched in the Christmas Parade at Frankfort. Their concerts included the Christmas concert, the Mid-Winter Band concert, and the Spring Concert. Next year they hope to participate in the concert contest, also. They ended the year with a trip to Spring Mill on May 8.

Eiler Joins Albro Mid-year

Mrs. Roz Eiler replaced Mr. Joe Ferguson as choral instructor in time for the spring concert and graduation. She had her hands full but managed very nicely. The chorus had also performed at the Christmas concert and the district SSS convention.

This year's Girls' Corp consisted of 12 girls with Pam Yoder and Penny Phillips as co-captains. Besides performing at basketball games and with the high school marching band, they did extra work for Mr. Albro and practiced dutifully.

Student Council Striving to Give Kids More Voice

The student council has been doing a little more this year to make the students aware of it. First they accomplished installation of a students' telephone. The convocations that they put on were Mark Twain, Yoga, Brown Bear, and a couple who played the guitars. Last as usual, they sponsored Homecoming.

After a convocation, student council members and friends fold up chairs.

The rock section of the Air Force Band was the most accepted part.

Variety Show Begins and

Junior Jeff Skiles keeps his foot erect during his diarrhea commercial.

Twyla and her guitar, Rick Kelly and Mike Fickle join in "Country Roads."

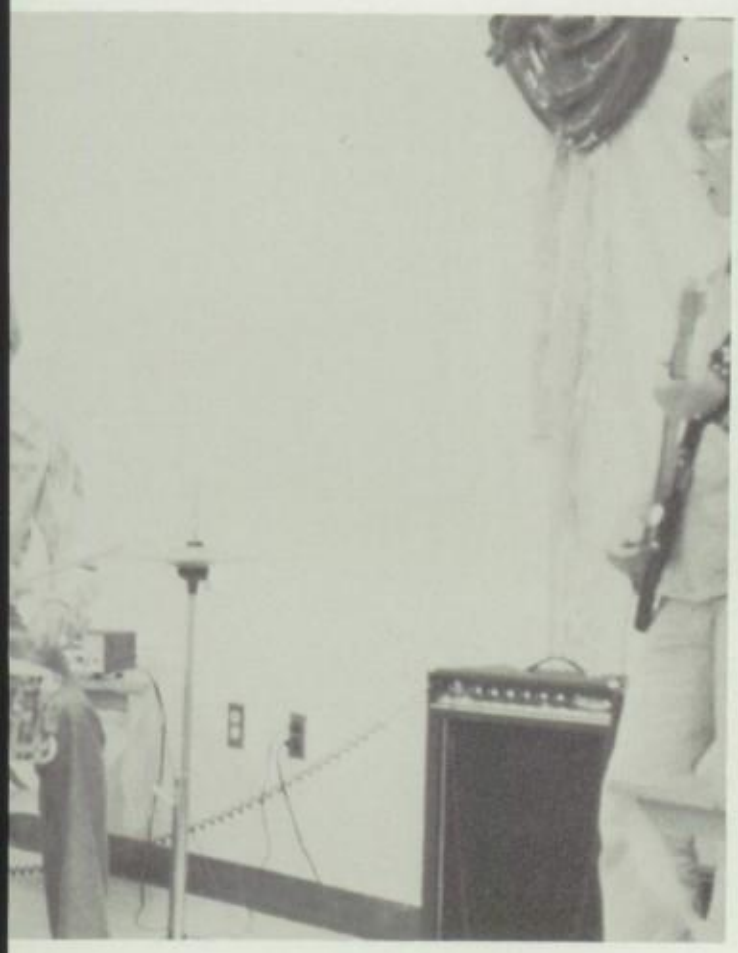
Jim Luper and Greg Barnard on electric guitars and Tom Marshall on the drums display their talents.

Ends With a Laugh

"Mother" Julie Jackson clamps her hand over "Daughter" Lisa Powell's mouth in their car routine.

Whether it was baseball, driving, music, or dancing, everyone would have to admit that this year's Variety Show had much variety. The program was held in September and included anyone who wanted to participate in a lot of fun.

Baseball fans Craig Enoch and Mitch Shively do "Who's on first base?"



Cindy Stanley, after several trips up and down the lighthouse steps, has brought the doctor and firemen to the rescue.

Mary Bolinger and Cheryl Gochenour swing to their version of "Beach Baby."

This year the Honors program was held on May 10. Many of the teachers presented awards to the students that were outstanding in their classes and in clubs.

A special feature was our exchange student, Jose, playing his guitar, and telling of how he's enjoyed his stay in Rossville. The following is a clipping from the Mulberry Reporter and Rossville Record:

Injuries and Weather Plague Hornets

The Varsity Baseball team got off to a bad start this year because of injuries and cold weather. The team had 21 games and six of them were double headers. As the season progressed, improvements were noted, but the opposition's strength also increased.

Jr. High, H.S. Track

The high school and jr. high track teams both had respectable seasons. Although the high school team won only one meet, several of the contests could have gone either way. Craig Hufford accumulated the most points during the season, winning all meets but one in the high jump. Craig and Steve Miller both qualified for the sectional. The jr. high team was winless, but they also came close on several occasions.

The Handoff

Girls' Track Team Improves

Although the record of the girls' track team doesn't show a winning season, they have improved greatly from last year. Many records were broken this year. The team has a lot more people participating and the majority of them will be returning again next year. The enthusiasm for girls' athletics seems to be growing, so everyone is hoping to see it flourish in the next few years.

Fifth and Sixth Gain Experience

Our 6th grade team was the only Rossville Hornet team to make it thru their season undefeated. A good team effort and undying desire to win is said to have pulled this team thru its season with its unblemished record. Coach Behnen said his fifth grade team had little experience and no real bench strength but they are expecting a better season as 6th graders.

B-team Gains Experience Thru Season's Battles

The B-team had a trying season this year since many varsity players were injured and players normally on the B-team were moved up to the varsity. However, the Hornets played a great game against the West Lafayette team who was 17-3 and by defeating them, gained the coveted dipper. Coach Reynolds explained that the B-team's lack of depth hurt them but many individuals on the team have greatly improved.

Tired Of Illness And Injury

Hornets Top Holiday Tourney

Rossville started out slow, but toward the end of the season, they really showed their talent. The fans supported the players, encouraging them at every game. The cheerleaders had a special party for them to bring their spirits sky high, and it worked. The Hornets kept fighting till they ended with a 9-11 season.

With Steve Mulligan and Kris Jones out with leg problems, and some other players ill, the team wasn't quite pepped up enough for their first few games. But they fought and struggled and when the Holiday Tourney time was around, the Hornets came out on top.

Girls' Volleyball Improves

The volleyball team ended this year with a 1-13 season. This being only the fourth year, Miss Carter's team is still inexperienced and needs a lot more developing. This by any means doesn't mean the girls haven't worked. The schedule was tough and they played schools that have had girls athletics for several years.

Cross Country Suffers Many Defeats

The Cross Country team awaits the start of the meet.

Although they worked hard, this year's Cross Country team ended up with a 3-7 season. But there is a lot of young talent on the team and with a little more experience, the team should be able to improve in the next couple of years.

At Rossville, may a new spirit of co-operation and unity help each person involved in the educational process develop to his highest potential while satisfying his individual needs. Kathy Huddleston

As we strive for success along the road of opportunity, we sometimes mire in the rut of educational apathy. There is always room for a new beginning by turning back to the main stream of life with the application of basic fundamentals and a large measure of PSC (pride, spirit, and courage). Mary Jane Flaningam

First grade is a real beginning for all children, so I try to foster a respect for other people and a love of learning. The beginning of the race is the most important. Beverly Andrews

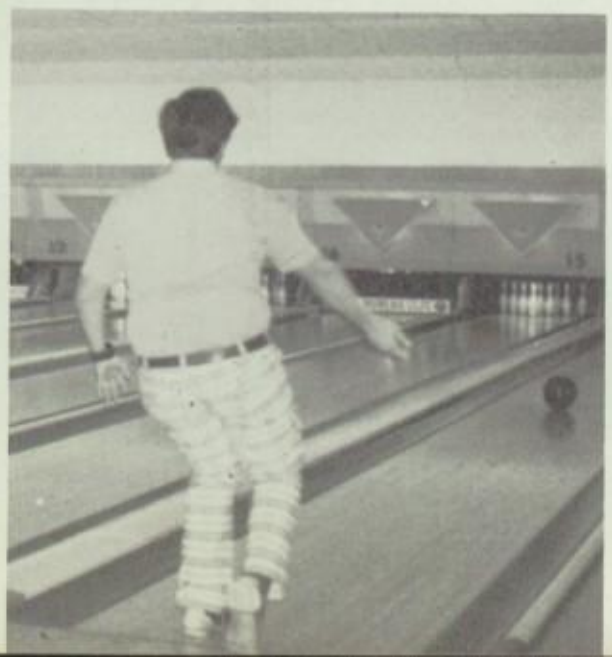
I would like to see Rossville schools prove that quality, not quantity, makes the best school where young people may be prepared to take their place in adult life. Miriam Senger

It's 11:14 p.m., March 22, layouts finished for the April 5 deadline. The first day of Spring break—is it really worth it?!? But tomorrow there will be the rest of the group, and maybe a pizza.

One can't possibly see inside these covers the work involved and the hours spent; but neither can he see the laughter and the fun of working together.

I want to give a special thanks to Mrs. Kathy Huddleston for the great job she has done the past two years, and also thanks so much to all on the '76 staff.

I know although we've satisfied some complaints in this book, we've also created new ones; but I hope the '76 Lars has brought you another taste of days gone by and the hope of a new beginning. As this book ends, so another begins; good luck next year. Velma



With a new beginning, let's cultivate some old values. Jerald Eiler

Thoughts for Tomorrow

I would like to see everyone enjoy all of life's experiences; be able to reflect on past experience as successful and anticipate the future, confident of continued success. Dale Henze.

A better relationship between parents, teachers and students.
